

Fly Me To The Moon

Comp: Bart Howard, Arr: Kenny Van Lysebettens

fly me baby

fly me to the moon
and let me play amongst the stars
let me see what spring is like on Jupiter and Mars
in other words, hold my hand
in other words, darling, kiss me

fill my heart with song
and let me sing for ever more
you are all I long for
all I worship and adore
in other words, please be true
woohoh, in other words, I love you

in other words, please be true
woohoh, in other words, I love you, dudududududu

fly me baby

*Chorus: if the sky above can hold me
I'll go be on the moon and the stars with you*

What A Wonderful World

Comp: George Douglas, George David Weiss, Arr: Kenny Van Lysebettens

I see trees of green, red roses too
I see them bloom for me and you
and I think to myself
what a wonderful world

I see skies of blue and clouds of white
the bright blessed days, the dark sacred nights
and I think to myself
what a wonderful world

the colors of the rainbow
so pretty in the sky
are also on the faces
of people going by
I see friends shaking hands, saying, "How do you do?"
they're really saying, "I love you"

I hear babies cry, I watch them grow
they'll learn much more
then I'll ever know
and I think to myself
what a wonderful world
yes, I think to myself
what a wonderful world

*Chorus: my life is filled with wonder
spending my life with you, it's so wonderful*

Me Enamoré

Comp: Willie Garcia, Arr: Freddy Torres

me enamoré
de una niña bonita
que bailaba la salsa de una manera muy singular

me enamoré
de esos ojos tan negro y tan bello
y su sonrisa que le hacen sus ojos brillar

me enamoré
de una niña bonita
que bailaba la salsa de una manera muy singular

como una estrella en el cielo
que alumbra la noche y el mar
así eres tú, mi belleza Angelical

*Chorus 1: como una estrella en el cielo
que alumbra la noche y el mar
así eres tú mi belleza Angical*

*Chorus 2: esta noche
tú serás mia, serás mia*

Siento Tu Presencia

Comp: Willie Garcia, Arr: Freddy Torres

cuándo llego a mi casa
y me acuesto en mi cama
siento tu presencia
siento tu calor sobre mi almohada

siento, siento tu presencia
siento tu calor sobre mi almohada
no sé lo que me has hecho
que me tienes envenado

siento, siento tu presencia
siento tu calor sobre mi almohada
no sé si es pecado
quererte de esa manera

siento, siento tu presencia
siento tu calor sobre mi almohada
cuándo llego a mi casa
y me acuesto en mi cama
es que siento tu presencia

*Chorus: siento, siento tu presencia
siento tu calor sobre mi almohada*

Emborráchame De Amor

Comp: Mario Cavagnaro, Arr: Wilfredo Freddy Torres

no me preguntes qué me pasa
tal vez yo mismo, no lo sé
préstame unas horas de tu vida
si esta noche está perdida
encontremos los dos

no me preguntes ni mi nombre
quiero olvidarme hasta quién soy
piensa que tan solo soy un hombre
y si lloro no te asombres
no es por falta de valor

no sé quién eres tú y no interesa
solo sé que mi tristeza, necesita tu calor
y al esconder mi cara en tu cabello
pensaré que solo es bello este instante del amor

pero no, no me preguntes nada
hazlo si quieres, por favor
y bebamos en la copa de la aurora
de esta noche pecadora
emborrachame de amor

*Chorus: esta noche pecadora
emborrácha me de amor*

Duele

Comp: Roberto Serrano, Arr: Robert "Pichi" Perez

duele, cada vez que pienso en ti
duele, al dejarme destruido así
duele, el dolor que es tan profundo
duele, vivir sin ti en este mundo

duele, que no estés más a mi lado
duele, al sentirme acabado
duele, todo el daño que me hacía
duele, sufre mucho el alma mía

duele, pensar que yo te quiero tanto
que en mi ojos solo hay llanto, que mucho duele
duele, en no tener ya tu cariño
llorando solo como un niño, que mucho duele

acostumbrarme sin tu amor
a soportar este dolor
que me está consumiendo

no quiero ya sentirme así
deseo ya mejor morir
oye, lo bien que bien
que seguir sufriendo

Chorus: duele, duele, duele

Autumn Leaves

Comp: Joseph Kozma & Johnny Mercer, Arr: Kenny Van Lysebettens

the falling leaves drift by the window
the autumn leaves of red and gold
I see your lips, the summer kisses
the sun-burned hands I used to hold

since you went away the days grow longer
and soon I'll hear old winter's song
but I miss you most of all my darling
when autumn leaves start to fall
when autumn leaves start to fall
yeah, yeah, yeah-i-yeah

*Chorus 1: oooh, my heart is aching
oooh, the memories of love with you can set my heart of flame*

*Chorus 2: through the dead of winter darling
the summer kisses burning on my mind*

It's Impossible

Comp: Syd Wayne, Arr: Frankie Nieves

it's impossible
tell the sun to leave the sky
it's just impossible

it's impossible
ask a baby not to cry
it's just impossible

can I hold you closer to me
and not feel you goin' through me?
split the second that I never think of you
oh, how impossible!

can the ocean keep from rushin' to the shore?
it's just impossible

if I had you, could I ever want for more?
it's just impossible

and tomorrow
should you ask me for the world
somehow I'd get it
I would sell my very soul and not regret it
for to live without your love
it's just impossible

hmm impossible
yeah yeah impossible

Chorus 1: living without your love is just impossible

*Chorus 2: split the seconds that I never think of you
oh, how impossible*

Why Now

Comp: Bobby Capo, Arr: Edwin Sanchez

drifting alone in this world
with the pain that's so deep and not knowing how to cry

and agony of the pain
that you left inside my heart
it will never go away

why did you tell me that you love me without feeling it
when you embraced me in your arms and showed me love
you could've been so kind to tell me you were leaving long before
and my life would never die

now you'll be leaving in the spring
as if you didn't know
that to me you're everything

now is too late and I feel sad
my heart is filled with pain
of you and so much sorrow

why did you tell me that you love me without feeling it
when you embraced me in your arms and showed me love
you could've stopped in time to tell me "listen baby"
it's a game and nothing more

*Chorus: you could have told me, "listen baby",
oohoh, it's a game and nothing more"*

Te Imagino

Comp: Willie Garcia, Arr: Cuto Soto

cuando yo veo la lluvia caer
yo pienso en ti y no sé lo que hacer
yo pienso en ti

y me recuerdo cuando tú y yo
debajo la ducha, nos bañábamos juntos
y te imagino en mi mente
mojándote bajo la lluvia
y veo la lluvia caer sobre tu piel, mujer mía

cuando yo veo la lluvia caer
yo pienso en ti y no se lo que hacer
yo pienso en ti

y me recuerdo cuando me abrazabas
y me decías yo quiero amarte
es imposible, que tú te vayas sin darme una explicación
entre sabanas blancas yo te dibujo en mi mente
recostada en mi cama

*Chorus: entres sábanas blancas
yo te dibujo en mi mente*

I Wish You Love

Comp: Charles Trenton, Arr: Edwin Sanchez

I wish you bluebirds in the spring
to give your heart a song to sing
and then a kiss, but more than this
I wish you love

and in July a lemonade
to cool you in some leafy glade
I wish you health, but more than wealth
I wish you love

my breaking heart and I agree
that you and I, we could never be
so, with my best, my very best
I set you free, girl I'm gonna set you free

I wish you shelter from a storm
a cozy fire to keep you warm
but most of all, when snowflakes fall
I wish you love girl, love

Yeah-i-yeah
Bendiciones Mamita, haha

my breaking heart and I agree
that you and I, we could never be
so, with my best, my very best
I set you free, girl I'm gonna set you free

I wish you shelter from a storm
a cozy fire to keep you warm
but most of all, when snowflakes fall
I wish you love girl, love

Chorus: I wish you love, I wish you love girl
